

The MCCI electronic Tax Refund System

EASY STEPS TO CAPTURE NEW SALES TRANSACTION

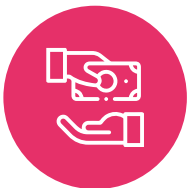

STEP 1 - SCAN VISITOR'S QR CODE TO GET HIS/HER PERSONAL DETAILS AND TRAVEL DETAILS

Ask visitors if they have the MCCI Tax Refund Application

- If yes: proceed to scan
- If not: ask to download the MCCI Tax Refund Application & register to get QR Code

When the QR Code is scanned, both the visitor's personal and travel details are input automatically on the shop portal, please proceed with entering the sales transaction(s)

STEP 2 - CAPTURING THE SALES DETAILS

- Input details of purchases and price in MUR
- Fill in the shop internal Invoice Number (or any other unique reference number)
- Complete the sales transaction by clicking on 'Submit and Exit'

Optional: After completion of transaction(s), please ask visitor to complete a feedback questionnaire

Bonus: You can now track all your purchases on MCCI Tax Refund APP

EMAIL THE PDF PRINTOUT TO VISITOR
